

## **ANKENY CHRISTIAN ACADEMY FAMILY LIFESTYLE POLICY**

In light of the many social changes in our nation, the ACA Board of Education must clarify and take a stand on the definition of marriage and family: We believe that the biblical definition of marriage is strictly limited to the covenant relationship between one man and one woman as found in Genesis 2:18-25, and that single parents/guardians abide by 1 Corinthians 6:19, 20a. "Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price." See also 1 Corinthians 6:9.

Given this definition, the ACA Board of Education requires that each family enrolling children in ACA must sign and declare the following statement on an annual basis during enrollment:

I/We certify that the foundation of our family is

a biblical marriage or single parent/guardian not cohabitating, as defined by this policy.

At least one parent or guardian must engage a positive Christian lifestyle.
