

We are Family...

Come and Join us!

Step one: Schedule a tour of the school.

Step two: Fill out the appropriate paperwork from the enrollment packet.

Step three: Schedule a meeting with an administrator.*

Step four: Stop in at the office to complete your packet.

*ACA does require one parent to have a Christian testimony. The conversation with the administrator will provide the opportunity to share this. In addition we will need to see grade reports and standardized testing results to know how to best serve your child.
