LET YOUR LIGHT SHINE...as a volunteer!

The Legacy Gala will showcase this year's ACA school verse which tells us to let our light shine so others will see our good works and give glory to God! We have some opportunities for you to let your light shine.

On Saturday morning, October 5 from 9 am to noon, at the FFA Enrichment Center in Ankeny, we need people to help us set up the dining room, organize and set up the ticket drop prizes, and assemble the appetizers. If you can help with any of these projects for part of the time or the whole time, we would love to have you. Students can earn volunteer cord hours for helping. [Sign up here.](#)

Hansen's Highlights

In her [Hansen's Highlights](#) this week, Mrs. Hansen describes the importance of goal setting at home and school in all academic subjects when looking at assessment data in student improved performance. FAST data will soon be made available to parents in math and reading.

Progress Reports: The first quarter's progress reports are just around the corner! We want you to be aware that much of the first two weeks of school, teachers and students is spent practicing procedures, routines and ACA's behavioral expectations. There may be few assessed items for each subject area, causing a potential lower percentage on your child's progress reports then at the end of the quarter. There will be more academic data entered into JMC each week. . Classrooms buzz with Learning:

[Third graders enjoy Bible class with Mrs. Merrifield.](#)

[Fifth graders enjoy learning with Mrs. Stam. She is the instructor in Bible, Math, Science/Health and Spelling.](#)

[Fourth and fifth graders share what they are enjoying at ACA in the first few weeks of school.](#)

Have a great weekend!

Estate and Planned Giving Seminar at ACA

The Education Foundation of Ankeny Christian Academy is hosting an educational seminar on Estate and Planned Giving with guest speaker, Johnne Syverson of the Charitable Giving Resource Center ([Charitable Giving Resource Center](#)). Johnne is an expert in his field with more than 40 years of experience helping people make their vision for their legacy a reality.

The seminar will be held on Monday, September 23, 2024 from 6:30 to 8:00 p.m. to learn more about how you can create a legacy that matches your core values.
