

Ankeny Christian Academy School Nurse

Purpose of Position:

The School Nurse oversees and administers health services, policies, and programs for ACA students. The school nurse's role is to support student learning by serving as the school's health professional and as an advocate for the individual student. The school nurse relies on student-centered, evidence-based practice and performance data to inform care. This position may be required to assist with screening, verification of records, and ordering medical supplies during the summer..

Position

- **Full-time, School year, other hours PRN**
- **Salaried, contracted employee**

Reports To: Finance Director

Evaluated By: Finance Director

Direct Reports: None

School Nurse Responsibilities and Expectations

Requirements and Qualifications:

- BSN required
- Instructor First Aid/CPR training or ability to obtain certification.
- Nursing experience in a school setting, pediatrics, urgent care, or ER strongly preferred.
- Potential to teach health classes

Spiritual Qualifications:

The School Nurse accepts without reservation the ACA Statement of Faith. He/she supports the Educational Philosophy and Objectives of ACA. He/she is a born again Christian, knows Jesus Christ as Savior, and attends a house of worship in a group setting on a regular basis. He/she agrees to cooperate with school authorities and adhere to policies adopted by the school board. The School Nurse believes that the Bible commands us to make every effort to live at peace and to resolve disputes with each other in private or within the Christian church. (I Corinthians 6:1-8, Matthew 5:23-24; 18:15-20). Therefore the School Nurse agrees that any claim or dispute arising out of or related to this agreement shall be settled by biblically based mediation, and, if necessary, arbitration. The School Nurse agrees that these methods shall be the sole remedy for any controversy or claim arising out of this agreement and expressly waives the right to file a lawsuit in any civil court for such disputes, except to enforce a legally binding arbitration.

The School Nurse reports to the Finance Director. This position will be annually evaluated and approved by the Finance Director for continued employment.

Health Services:

- Evaluate students and recognizes signs and symptoms suggestive of illness, including communicable diseases, and advises parent/guardian regarding follow-up services.
- Use active communication to build positive relationships with students, parents, staff, and community members.
